

### Assemblies at Lyncrest

All children at Lyncrest Primary school regularly take part in both whole school and phase assemblies. These are planned across the school year to enhance our Personal, Social and Health Education Curriculum (PSHE), promote our whole school values, The British Values and other celebrations or festivals, which align with these values and our curriculum.

We use stories, drama, video clips and visitors to enhance the assemblies and bring the messages to life. Below you can find further information about some of the key themes that will be covered over the year.

Our school values are at the heart of many of our assemblies. These are:

- Perseverance
- Respect
- Compassion

Many of our assembly themes link to The British Values of:

- Democracy
- Individual liberty
- Mutual respect
- Tolerance
- Rule of Law

Each term, links are made to the PSHE curriculum taught in school. We use Jigsaw for this and each term the whole school covers the same topic in an age-related way. These are listed below.

Term 1 - Being Me In My World

Term 2 – Celebrating Difference

Term 3 – Dreams and Goals

Term 4 – Healthy Me

Term 5 – Relationships

Term 6 – Changing Me

In addition to these values, themes and topics, throughout the year there will be key events and celebrations that we will also focus on. A list of some of these is provided below. However, this is not an exhaustive list and other topics will be covered as and when they are appropriate or link to current affairs.
